

## **Cambium Learning Group Wins an Impressive 14 EDDIE Awards for 2018**

**DALLAS, TX — October 16, 2018** — Cambium Learning Group, Inc. (Nasdaq: ABCD), a leading educational solutions and services company committed to helping all students reach their full potential, announced today that its combined business units garnered 14 Education Software Review (EDDIE) Awards for 2018.

Cambium Learning Group's business units received awards for effective instructional solutions that drive student learning and teacher productivity: Learning A-Z® (12 awards) and ExploreLearning® (two awards).

“As an organization that continually strives to offer solutions to maximize the potential of all students and to honor the importance of teachers, we are thrilled by these 14 recognitions of excellence,” said John Campbell, Chief Executive Officer of Cambium Learning Group. “In addition to teachers confirming that our solutions work in the classroom, these awards provide additional industry affirmation of our high-quality learning technologies.”

The Cambium Learning Group 2018 EDDIE Award winners are:

The Annual EDDIE Awards, presented by The ComputED Gazette, recognize innovative, content-rich programs and websites that support classroom curriculum and improve the productivity of educators. Some of the criteria used to determine winners were academic content, potential for broad classroom use, technical merit, subject approach, and management system. Organizations worldwide submitted products for consideration.

### **About Learning A-Z**

Learning A-Z® is a literacy-focused PreK-6 educational provider of technology-enabled learning solutions. Our products blend traditional teacher-led instruction with robust online resources to make teaching more effective and efficient, practice more accessible and personalized, assessment more strategic and automated, and learning more informed and proactive. Our suite of products includes: Raz-Plus™, Reading A-Z™, Raz-Kids®, Headsprout®, Science A-Z®, Writing A-Z™, Vocabulary A-Z™, and ReadyTest A-Z™. Learning A-Z products are used by more than 7 million students in more than 170 countries. For more information, please visit [www.learninga-z.com](http://www.learninga-z.com) or find us on [Facebook](#) or [Twitter](#).

### **About ExploreLearning**

ExploreLearning® believes all students can have success in math and science. Our online solutions bring effective, research-proven instructional strategies to classrooms around the world. *Gizmos*® ([www.explorelearning.com](http://www.explorelearning.com)) is the world's largest library of interactive, online simulations for math and science in grades 3–12; and *Reflex*® ([www.reflexmath.com](http://www.reflexmath.com)) is the most effective solution available for math fact fluency development.

### **About Cambium Learning Group, Inc.**

Cambium Learning® Group (Nasdaq: ABCD) is an award-winning educational technology solutions leader dedicated to helping all students reach their potential through individualized and differentiated instruction. Using a research-based, personalized approach, Cambium Learning Group delivers SaaS resources and instructional products that engage students and support teachers in fun, positive, safe and scalable environments. These solutions are provided through Learning A-Z® (online differentiated instruction for elementary school reading, writing and science), ExploreLearning® (online interactive math and science simulations and a math fact fluency solution) and Voyager Sopris Learning® (blended solutions that accelerate struggling learners to achieve in literacy and math and professional development for teachers). We believe that every student has unlimited potential, that teachers matter, and that data, instruction, and practice are the keys to success in the classroom and beyond.
