“As an organization that continually strives to offer solutions that maximize the potential of all students and that honor the importance of teachers, we are thrilled by these recognitions of excellence,” said John Campbell, Chief Executive Officer of Cambium Learning Group. “In addition to teachers confirming that our solutions work in the classroom, these awards provide additional industry affirmation of our high-quality learning technologies.”

The 23rd annual [BESSIE Awards](#) are sponsored by The [ComputED Gazette](#), a leading online educational resource created by educators who have provided the finest computer education to children and adults for more than 20 years. The awards target innovative and content-rich programs and websites that provide parents and teachers with the technology to foster educational excellence. Winners are selected from titles submitted by publishers worldwide.

About Cambium Learning Group, Inc.

Cambium Learning® Group is a leading educational solutions and services company committed to helping all students reach their full potential. Cambium Learning accomplishes this goal by providing evidence-based solutions and expert professional services to empower educators and raise the achievement levels of all students.
