Quick Reference

A **Member Login**, using your username and password, grants you access to all Raz-Kids content.

B The **Resource Menu** is the heart of Raz-Kids. Here you will find all the leveled books and assessments!

C Use the **Search Bar** to quickly find a resource to address a specific topic, skill, or interest.

D **Manage Students** is the starting point for accessing your student roster, reports, and assignments. This is also where you go to score student activities in your In Basket.

The **Instructional Support** section, located at the bottom of every page, offers helpful information on getting started, instructional tools, reading level correlations, professional learning, and more.
